Software
- Java
- Javascript
- HTML / CSS
- C++

Design
- Adobe Illustrator
- Adobe Photoshop

EDUCATION

University of California, Berkeley | *Aug 2017*
- Electrical Engineering and Computer Science

Lynbrook High School | *Aug 2013 - Jun 2017*
- 4.0 GPA, 2260 SAT

EXPERIENCE

Intern | FitBliss | *Jun 2016 - Aug 2016*
- Spent the summer re-designing the startup's web application
- Worked on various tasks such as developing their mobile app, designing emails to be sent out, and helping create a video advertisement

Assistant Coach | Kidz Love Soccer | *May 2015 - Aug 2015*
- Spent the summer teaching elementary school kids the basics of soccer play and technique

Volunteer | California Scholarship Federation | *Aug 2013 - Present*
- Four years and over 100 hours of volunteering at various events

LEADERSHIP

Eagle Scout | Troop 407 | *May 2010 - Jul 2017*
- Seven years as an active member of Boy Scout troop, learning important leadership qualities and survival skills through summer camps, leading troop events, and teaching newer scouts
- Completed Eagle Project, which involved building a 'Buddy Area' for students at a local elementary school

Founding Member | Challenge Success | *Jun 2015 - Jun 2017*
- Part of a select student team with the goal of reducing stress among students and redefining what 'success' means
- Helped plan and lead 'Release Week,' a 5-day event before finals to help students relax through activities such as puppies on campus, bounce houses, and a Zumba workshop

President | Spanish Honor Society | *Oct 2014 - Jun 2017*
- Three years as an active member in the society, learning about Spanish culture and language through weekly meetings
- Organized an intra-district social with other societies at nearby high schools

PROJECTS

Action Bot | node.js | *Jan 2016 - Present*
- A Facebook Messenger Bot that uses the 'facebook-chat-api' to organize and store action items in group chats

Project Gon | Java | *May 2016 - Jun 2016*
- A single-player game made completely from scratch for my APCS final project

Challenge Stigma | Adobe Illustrator | *Nov 2015*
- I designed both the logo and t-shirt for month-long project with the objective of removing the stigma around mental illnesses in both a high school and everyday environment
